Body Drill Bit 1/8" and Double Ended

**DBD1/8AMP10** – 10 Pack 1/8" Double Ended Bit

### *Applications:*

- Popular for pop-rivet applications
- Use for drilling thin sheet metal

*Related item:* DBD1/8A - Double Ended Bit

### *Features and Benefits:*

- 135 degree split point – *fast penetration*
- High speed steel – *long lasting*

### **WARNINGS**

• Wear safety goggles. (User and bystanders)

• Wear hearing protection. (User and bystanders)

• Read additional safety precautions on page 534 to 537 in product catalog CAT1000.

CE – Not Required

Country of Origin – United States

# 7" Variable Speed Electric Polisher...faster and lighter

**Applications:**

- Automotive and Truck
- Industrial

See page two for Cordless Drill Head to Head Comparison

**Features and Benefits:**

- 6 position speed setting – Allows user to dial in desired speed – Speed will not exceed desired setting.
- Variable speed trigger – Lets you vary the speed within the range – More control over the polishing speed.
- Push button spindle lock – Locks spindle for pad changes – Makes for quick and easy pad changes.
- 3 position auxiliary handle – Allows user to change handle position – More convenience for the user.

**Related product:**

- POLISHW8A – Wool Buffing Pad
- POLISHB8C – Buffing Pad
- POLISHD8C – Detail Pad

**Specifications:**

RPM.....	0-1000/3000
Cord (Double insulated).....	16 gauge, 6.5 ft.
Weight (net).....	6.6 lbs.
Weight (total).....	7.04 lbs.
Voltage.....	120/60 Hz
Amps.....	11
HP.....	1.1
Overall Length.....	17"
Spindle Thread.....	58" – 11 UNC

**WARNINGS**

- Wear safety goggles. (User and bystanders)
- Read additional safety precautions on pages 534 to 537 in product catalog CAT1000.

## Add some **Bling** to Your Tool Storage Unit with these LED Light Kits

### *Features and Benefits:*

- The 13” strips can be connected to each other in a straight line or they can be connected by a short connector cord included in each kit. This allows the 13” strips to be placed around corners or at different levels from each other.
- The LED strips are light weight and can be attached to any surface using two-way soft tape (included in each kit and each add-on set)
- Each set has a white-6-way terminal to allow up to 5 additional LED add-on sets.
- The add-on sets contain (3) 13” strips, a 6 foot cord and two short connector cords.

#### WARNINGS

- Read safety precautions on pages 534 to 537 in product catalog CAT1000.

**KALEDWHITE-1** – White LED add-on set (shown)

**KALEDBLUE-1** – Blue LED add-on set

**KALEDGREEN-1** – Green LED add-on set

**KALEDRED-1** – Red LED add-on set

**KALEDGREEN** – Green LED Kit

**KALEDRED** – Red LED Kit

Each set includes (3) 13” strips, (2) short connector cords and two-way soft tape

CE – Not Required

## A Perfect Accessory Kit for Cordless, Electric and Pneumatic Drills

Avoid the hassle and wasted time searching for the right extension or adaptor. This kit makes a great companion sale with a Snap-on CDR or CTS series power tool.

**SDMEXT19K** – 19 Piece Extension and Bit Set (see page two for complete listing of components)

### *Features and Benefits:*

- Complete set that includes the most popular sizes and lengths of extensions, adaptors and bits for most applications.
- 2" and 6" long, 1/4" hex to 1/4" or 3/8" square drives for use with sockets.
- 1/4" hex to 1/4" hex adaptor for use with insert bits.
- Popular insert bits and power bits such as Phillips® and TORX® included.
- Comes in a convenient plastic storage case.

**(NEW) GMB3041** – Extension, 1/4" Hex X 1/4" Square X 1" – Features a hex insert and ball-detent end that allows it to be used with small 1/4" sockets...allowing the ratcheting screwdriver to become a ratcheting nut-driver.

**(NEW) A3046** – Extension, 1/4" Hex X 3/8" Square X 6"

See page two for complete listing of components and warnings.

CE – Not Required
